**Welcome.** This patient information form will answer most of your questions about the services at our office. Please feel free to ask for clarification of additional information on the initial visit.

**What type of therapy does Dr. Leu use?** As a pharmacist and naturopathic physician, Dr. Leu integrates conventional wisdom with time-honored natural therapies, to provide a truly integrated approach. His practice encompasses physical exams, lab work, thorough health history, and natural or conventional therapies, as indicated. He feels that whichever is in the best interest of the patient's overall health is what should be utilized, be it herbs, vitamins, minerals, diet, counseling, or prescription drugs. He has spoken at several conferences across the nation on the naturopathic approach to cancer. In his private practice, he works to resolve his client's challenges such as: cancer, allergies, hormone imbalances, migraines, indigestion/gastrointestinal disorders, autoimmune diseases, immune deficiencies, and fatigue.

**Confidentiality:** By law and professional ethics, your consultations are strictly confidential. No information will be shared with anyone without your written permission.

**Fees:** Consultation fees with Dr. Leu are \$150 per hour. You are expected to pay for the consult at the end of each visit. We accept cash, checks, Discover and Mastercard/Visa. We do not provide monthly billing. The initial visit usually requires one hour, however the follow-up consults may require as little as 15 to 30 minutes. The doctor is very sensitive to your time and expense and will keep your visits as short as possible. For your convenience, Dr. Leu also offers phone consultations, which may save you the time and expense of travel.

**Insurance:** Naturopathic medicine is not recognized by the state of Oklahoma, therefore, insurance companies do not cover our services.

**Office hours:** Our office hours are 9am to 5pm, Mondays through Thursdays, and 9am to 12 noon on Fridays.

**After Hours Emergencies:** For after-hours emergencies or if you need immediate assistance call 911, your medical group or your primary care physician.
